

Take a look at the most powerful
weapon in the fight against teen
cough medicine abuse:

YOU

**Educate yourself,
talk to your kids
and safeguard
them from cough
medicine abuse**

Today some teens are abusing medicines, such as cough medicines, to get high. Parents have the power to help stop it. Go to StopMedicineAbuse.org for concrete steps you can take to safeguard your kids.

Be a hero. Educate yourself and join the fight against teen medicine abuse.
